

Science National Honor Society, Inc.
Annual Chapter Report
2001-2002

Dear Chapter Advisor,

The following reports and forms are to be filled out and signed by the chapter advisor and mailed to the SNHS national office **by May 01 of each year**:

- Activities Report
- Financial Report
- List of current members (including year in school and with officers noted) and their contact info (**including e-mail**)
- Update of school principal or headmaster and advisor names and contact information (**including e-mail**)
- Please list any suggestions that you may have for us.
- **If this is your chapter's inaugural year, please include a copy of your bylaws.**

The forms can also be submitted online at www.sciencenhs.org or emailed to cpeterson@sciencenhs.org. In the future, you may download these report forms from our website.

If you have any questions, please contact us via mail, phone, or email. Thank you for your work with the SNHS.

Thank you,

Christina Peterson
Secretary
Science National Honor Society, Inc.

Science National Honor Society, Inc.
Annual Chapter Activities Report
2001-2002

Did any members of the scientific community speak to your chapter? If yes, please list their names, positions, and topics.

Did your chapter help at existing local science fair or did your chapter help to organize a new science fair? If yes, please describe your involvement.

Please list your chapter's service projects including the name, date, short description, and number of students who participated in each:

Please list any other activities that your chapter participated in including the name, date, short description, and number of students who participated in each:

How did your chapter members benefit from these activities? How did your local community benefit from your chapter's activities?

Did your chapter officers present any lectures? If so, please list their topics and any comments you have.

Please list ideas for future activities and make any comments you have for the National Office of the SNHS:
